Dear Amy:

Congratulations! I was very pleased to hear that you were named one of the Top Youth Volunteers for 2010 by The Prudential Spirit of Community Awards. This is a recognition of which you should be very proud.

Your active involvement in our community has enabled you to make a difference that will send ripples of encouragement to others to do the same. By working to make Wyoming a better place to live, you have given others a good example to follow. You have made it clear that one person really can change things and make this a better world – by caring enough and putting that care into action!

Congratulations again, Amy! Diana joins in sending our best wishes to you on your great success. Wyoming is proud to claim you as one of our outstanding youth. God bless.

Sincerely,
